Vegetable Seeds of Quality

EACH YEAR, it is growing more apparent that the production of vegetables is *becoming highly specialized* and is fast getting into the hands of Truckers and Market gardeners whose livelihoods depend largely on the quality of their product, and who demand from their Seedsman *True Types of Highest Merit*. We have anticipated this growing demand for *Select Strains of Carrot, Lettuce, Onion, Etc., Etc.*, and have for the past several years devoted a considerable acreage to *Selection and Breeding* work. We are offering in this list, stocks, *Carefully Bred, Critically Rogued, Cleaned and prepared with all possible care to prevent any mixtures*. We believe that there are no better stocks obtainable and that you may depend upon them to give satisfaction to your most critical trade. Seed of doubtful quality may be purchased cheaper, but why take chances?

Quality Will Pay In The Long Run.

O. B. growing station, containers extra at market value, and not returnable. 3. In case of partial or total failure of any or all crops planted, or caused to be planted by the seller for the purpose of producing the varieties of seeds herein named, or, in case of damage to, or destruction of seller's seed stocks before planting, or to the products of such plantings, or to any seed through fire, accident, or other casualty beyond seller's control, the seller shall be obliged to deliver, if at all, proportional quantities only, and, in any event, the seller shall have the right to reserve an amount of seed equal to that used in said planting.

5. Except as herein otherwise expressly provided, the seller gives no warranty expressed or implied, as to description, quality or productiveness, or any other matter of any seeds sold by it, and will not be in any way responsible for the crop. 7. If the production of the within mentioned goods be prevented by any condition existing from a state of war, strike, or by any act of God, seller shall not be liable therefor. Or, if the cost of producing, processing or merchandising the within mentioned goods be increased directly or indirectly, from any of the above mentioned causes or by any act of government controlled prices, such increase shall be paid by the purchaser to the seller. If the parties cannot agree on the amount of said increase that question shall be arbitrated as set out in paragraph No. 8 of our contract conditions.

8. If the cost of producing, processing or merchandising the within mentioned seed is increased by seller's payment of sales taxes or by his compliance with Federal or State Laws or Regulations enacted or promulgated subsequent to the date of this contract such increase shall be paid by the purchaser to the seller; and if the parties cannot agree on the amount of said increase, that question shall be submitted to the Arbitration Committee of the American Seed Trade Association for arbitration and award, which award will be made forthwith by the purchaser.
